Seave of thy Pennable Paces, and Be-

or that "s man is known by the company he keeps;" but an equally goed test, of a man's claims to respect, is to be found in the arguments which he comploys. In this regard, it must be condessed that our Southern preferent are somewhat deficient. We do not wish to judge them hardly, and we make the allowance for their deficitive educations—since a plantation can recursily be assured. If is an old naw that "s man is known by the tion can scarcely be considered a g ill, there is a lack of logic, and an ex

Tring and a specific a weight on that har between them. Using a long iron rod, with rings which slide on it, such one sited to contain a leg; when these are filled, pulling the rod with visions the same by one end; so that all the legs are jamed in long-the rot with visions, given and a roller arrivable bands on a pole for a languaged time.

FANCY GOODS & TOLLEY ARTICLES

ALSO

Als ner—while holding the bands in front, with the salms inwards towards the chest, and the fingers extended, tarm their how howed, and then look them one as the other so that the ends of the finger, or one hand rest in the paim of the others than a pole passed scross them haste, will suspend the body, its pressure presenting the fingers from slipping out. While suspended in this manner, lighting a tire beneath the victim. Adding to his sufferings by throwing strong red papper on the fiv, so that its extremy pungent runes assail his eyes, now and threatismating up in a close-rasm and then unoking the sufferer. Applying hot phoens, and that to parts of the body that cannot be meritioned. Enclosing a number of pinching beeles in half a concernate shell and tying it over the navel, so that the horrid tensation of digging into the owners is indicted. Rubbing the arm from the wrist to the chow with self and mad, then applying longitudinally a number of each), or ribs of the corolly drawing them out, one by one, the finer end dest, so that each one, by its own lacrossing thickness, and added by the salt uniderneath, cuts burningly into the fisch and leaves its smaring sting.

The Foots wor ask Dran—The Albany

east beought on in the Commons, and a good-cal of the state of the state of the state of the earliest said mate folks smile. The author-ity of the Church 'was once a fine idea, and is now a fine phrase; and, seeing that there is no tyranny or cruelty which has not at some time or other been justified by the authority of the Church, one is quite content with the poetical image, and to let the reality pass into limbo. Still less inclined is Mr. Jones to abstain from courring Miss Brown, sister to Mrs. Jones who
